Belle's Quest

BREAK THE SPELL

You'll need all of Belle's charm and wit to save her father, imprisoned by the hideous Beast. But to reach him you must first outsmart persistent Gaston. Then journey astride your faithful steed Phillipe, to a thick, black forest maze of wild animals and hidden traps to reach the enchanted castle on the other side. Search carefully for the castle's hidden secrets. Find them all to break the spell and return the Beast to his human form.

HI PALS,

It sure is cool having a new baby sister. She's been creating quite fun adventures in the Jones' household. (But now she mostly cries and eats.) Some things I've planned to do with her when she gets older are:

1) Teach her how to charge a triple decker burger at POP TATE'S.
2) Teach her to run away from Big Ethel.
3) Teach her to act cool and aloof.
4) Maybe I can make her a hat just like mine. She already has those cute diapers with the S on them. Don't you all want to know what the S stands for? Sorry. My lips are sealed.
5) Teach her how to mow the lawn, fix the car, rake leaves. (A boy does need help with his chores now and then.) Make me a hammock...so I can supervise, of course.
6) Hang around, lazily.

Do you kids have any ideas for my sis?? Send 'em to me. I might print 'em. Jellybean thanks you!

We all know that Jellybean is really her nickname. Her first name has yet to be revealed. HERE ARE YOUR SILLIEST, WEIRDEST BABY NAMES. YOU KIDS SURE ARE NUTTY!

Dear Jughead,
Glad to hear your sibling is a girl,
One thing for sure. It will rock your world
Don't get scared, Yo, Jug, my man
No one can beat you, you're a walking garbage-can.
I think you're cool and I love your appetite
I'd like to buy more comics, but right now
my money's tight
When things get tough and I need some relaxation,
I'll grab your comics, and man, what a sensation!
--Yours, Shahariah Din, Kedah, West Malaysia

Dear Jughead,
I agree with you. Girls are a pain in the patoot. There's this girl. Her name is Charlene. She chases me like Big Ethel. She puts love notes with gooey lipstick kisses and smelly perfume in my locker. She makes goo goo eyes at me in the hallway. She tells all her friends she's going to marry me. I'm only twelve. I don't wanna marry NOBODY! I feel for you, Juggie. It must be awful having big Ethel wanna smooch you all the time. Eyuchh!

The End

Konami just took your favorite shows off TV.

It's time for a change of screenery as Konami takes the TV style adventures of The Turtles, the Tiny Toon Adventures characters and *Batman: The Animated Series* to Game Boy. With no commercials.

Teenage Mutant Ninja Turtles III™: Radical Rescue™ pits the sewer crew against Cyber Shredder, a heinous, hidking cyborg. But first Mike must use a Fortress Map of Shredder's hideout to find the rest of the captured fab four. Luckily, each Turtle has a new special skill for surviving the action. Locate ID cards for and power ups in these adventures crammed with creeps like Dirtbag, Scratch and Scale Tail.

Batman™: The Animated Series is 4 original game episodes of sizzling crime fighting action, each capturing the gritty, urban heroics of the hit TV series. Strategically use *Batman's* grappling hook and *Robin's* ceiling grip to survive the onslaught and escape certain doom in episodes like The Cheer Menace and The Chill of a Different Kind. You'll suffer the sting of *Catwoman's* claws, the icy burn of *Mr. Freeze's* frost gun, and the sheer sick sense of humor. Sinister fiends like *The Penguin*, *The Riddler* and other *Gotham City* goons are also out to make this the *Dark Knight* darkest day.

Tiny Toon Adventures 2: Montana's Movie Madness premieres 4 freaky films directed by that Bad Boy of the Box Office, Montana Max. And he's cast Buster Bunny as the villain! Buster must use new attack moves, like the Fast Dash and Freeze Kick to defend his character. Buster's screen test includes action packed scenes in a classic western, a samurai saga, a sci-fi thriller, a creature feature and cool subgames. Ultimately, Buster takes on Max himself and tries to drop the curtain on his movie career.

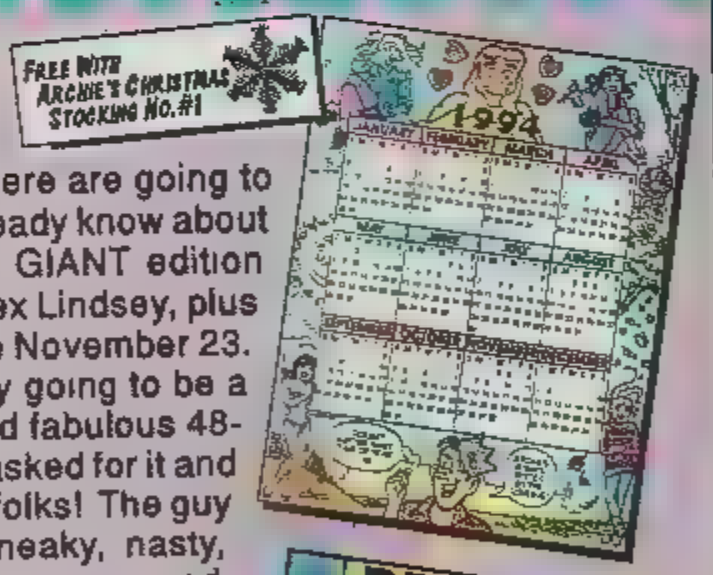
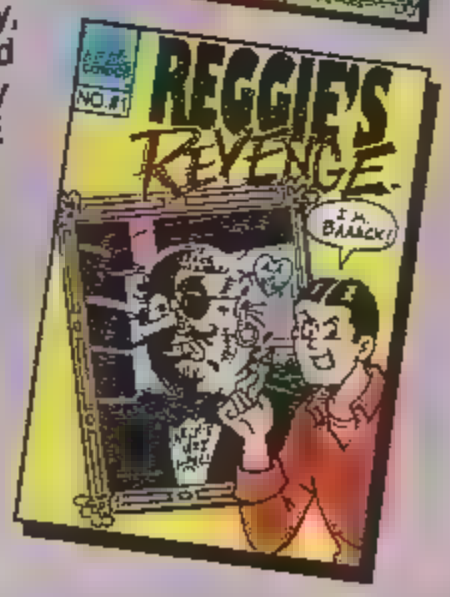
EDITH'S NOTEBOOK



Dear Archie Readers,

"Happy Holidays!" from everyone at Archie Comics! There are going to be many new surprises starting this month. I'm sure you already know about ARCHIE'S CHRISTMAS STOCKING #1. This 48-PAGE GIANT edition features a beautifully painted cover by Dan DeCarlo and Rex Lindsey, plus a FREE pull-out calendar for 1994. This book goes on sale November 23.

Now for some of the other surprises. 1994 is definitely going to be a GIANT year. We'll be kicking the New Year off with the 2nd fabulous 48-PAGE GIANT issue of JOSIE & THE PUSSYCATS. You've asked for it and now you're going to get it. I'm talking about REGGIE. Yes, folks! The guy you love to hate is going to be featured in his own sneaky, nasty, wisenhiemer 48-PAGE GIANT comic. Complete with mean cover and FREE (don't tell Reggie) pull-out poster. It's an issue you'll definitely want to read again and again until you throw up. Next on the 48-PAGE GIANT schedule is JUGHEAD'S BABY TALES #1, followed by the ALL-NEW "CARNEYS" who were introduced in SABRINA'S HALLOWEEN SPOOOKTACULAR #1.



There are a few more GIANTS in the works. You can count on me to keep you up to date on their progress. I hope I can count on you to let me know what you think...like. Did you enjoy these new books? Were they easy to find? What other GIANT books would you like to see?

Have a safe and happy Holiday Season. Remember those who are less fortunate than you and those in the Armed Forces serving your country in faraway places.

SWIMMING

Swimming has always been a popular pastime. It became a popular sport 200 years ago. Men's international swimming competitions began in 1896, in the first modern Olympic Games. Women's competitions were added in 1912. Swimmers require discipline and training. Coaches identify their teams in the swimming pool by the caps they wear. So can spectators. Caps help swimmers to move faster and keep their heads warm. Swimmers also use them to keep their goggles in place.
